

A Note to City of Nacogdoches and Nacogdoches ISD Registered Voters

On May 4th, 2019 the City of Nacogdoches and Nacogdoches ISD will have a Joint Election with shared ballots.

This means you will only have to sign in one time and you will receive one ballot.

The Ballot Style you will receive will match the City of Nacogdoches and NISD jurisdictions you are eligible to vote in and will have the applicable contests.

If you are registered to vote anywhere within the City of Nacogdoches you will be eligible to vote in the contest for Mayor.

To also vote in either the NE Ward contest or NW Ward contest, you must be registered to vote at an address within one of those applicable Wards.

To vote in the NISD Single Member District I contest, you must be registered to vote at an address within that Single Member District. There is not an At Large NISD position on the ballot this time, so you must be registered to vote at an address in Single Member District I to vote in NISD's election.

If you are unsure of which contests you are eligible for, your current Yellow and White Voter Certificate should reflect your City Ward if you live within the City of Nacogdoches, and it should reflect your NISD Single Member District. You may also feel free to contact the Elections Office at (936) 560-7825 and we will be happy to look your information up and tell you which contests will be on your ballot.

You may also copy and paste this link to your browser to view maps of all of the different voting jurisdictions within Nacogdoches County:
