

Local Part-time GIS Job

Nacogdoches County is seeking a GIS/GPS Technician for the summer and/or fall 2017 semester (position could be extended pending interest). The selected applicant would work on various projects such as map production and assisting in field collection of GPS data and using a variety of data sources to update and correct the GIS data used by the local 9-1-1 Dispatchers and by the local public safety entities such as Sheriff/Police, Fire Departments, and EMS.

Additionally, depending on project availability, there may be opportunities to work on additional projects such as python scripting, database design, geoprocessing model building, and building map templates and other cartographic product templates.

POSITION: GIS/GPS TECHNICIAN

PAY RATE: \$10 PER HOUR

POSITION STARTING: SUMMER OR FALL OF 2017 (UP-TO 20HRS PER WEEK)

START/END DATES AND SCHEDULE ARE FLEXIBLE PER APPLICANT AVAILABILITY AND INTEREST
