### **RE: Cooperative Bridge Beautification Effort**

Nacogdoches County in coordination with the City of Nacogdoches began work to paint the Lanana and Banita Creek bridges today.

The Lanana and Banita Creek bridges are the corridor into the City. The County and City agreed that both of the bridges could use a little sprucing up so they teamed up in a cooperative effort to get the job done. TxDOT provided the paint and the County provided the inmate labor in a effort that is sure to keep Nacogdoches beautiful. Keep watching as the project unfolds and the bridges take on a new look.
