Re: Nacogdoches County Awards Radio to Woden ISD Police Department

Nacogdoches County Officials continue working to improve law enforcement radio communications in the County.

Nacogdoches County recently purchased 62 digital 110-watt mobile radios for law enforcement agencies in Nacogdoches County. Woden ISD was awarded their radio at their recent school board meeting on Thursday, March 1. These new, more powerful radios will improve radio communications in the most rural parts of the County. Nacogdoches County Judge Joe English felt the need for all law enforcement agencies identified in the County's Local Disaster Plan to receive this upgrade.
